THE STRATEGY

The mission of the L.A.G of Alta Marca Trevigiana is:

- to promote our excellences in the world
- attract the world to our excellences

**Promoting the sustainable development
of the territory and available to all**

The e-bike project concerns all 22 municipalities with the installation of electric station for charging e-bikes in order to promote *sustainable tourism* in the hills of Conegliano Valdobbiadene Prosecco Unesco Heritage and the Area of Monte Grappa MAB Unesco

The service is *free of charge*.
Simply download *the app* and *start riding* !!!
